Dear Laboratory Director:

Based on the authority mandated by sections 381.00591, 403.0625 and 403.863 Florida Statutes and chapter 64E-1 Florida Administrative Code (FAC), I hereby declare that

Florida-Spectrum Environmental Services, Inc. - Savannah

is granted additional certification to perform analyses for the following Fields of Accreditation on environmental samples:

Drinking Water

Color	SM 2120 B
Heterotrophic plate count	SIMPLATE
Nitrate	HACH 10206
Total nitrate-nitrite	HACH 10206

Non-Potable Water

Nitrate	HACH 10206
Total nitrate-nitrite	HACH 10206

Certification in this case specifies that the above named laboratory has met the minimum requirements for a certified laboratory as set forth in section 64E-1.102 FAC.

This certification is effective as of July 5, 2022 and shall be in effect until June 30, 2023 or until revoked by the Florida Department of Health.

The Application for Certification of Environmental Testing Laboratories received December 27, 2021 is now complete. Any requests for additional Fields of Accreditation will require an additional application with application fee and on-site assessment.

If we can be of any further assistance, feel free to call Milagros M. Maiz at (904) 791-1588 or the certification program office at (904) 791-1599.

Sincerely,
